

MEGAMAN® LUCCA

MEGAMAN® LUCCA works perfectly with LED MR16 and PAR16 reflectors to deliver up to 25,000 hours lifetime replacing halogen in traditional applications. The design of MEGAMAN® LUCCA is flexible enough to fit PAR16 and MR16 reflectors in a variety of sizes.

Fixed and adjustable options are available to cater for various applications. The adjustable option comes with tilt angle; which can be adjusted by the user after installation.

Features

- With a die-cast aluminium body, MEGAMAN® LUCCA works with LED PAR16 and MR16 reflectors to deliver up to 25,000 hours lifetime for traditional halogen applications
